Why I'm Writing This Letter

My name is **Zack Henry**, and I am inviting you to join me on my journey to the PGA Tour as either an **investor** or a **sponsor**.

Reaching the highest level of this sport requires more than just talent and hard work - it requires **a strong team of financial supporters**. I am offering two ways to be part of my journey:

1. **Investors** – A **high-risk, high-reward** opportunity where you will share in my financial success if I make it to the PGA Tour.
2. **Sponsors** – A **branding and marketing opportunity** where businesses can gain exposure through logo placement, media attention, and an ongoing relationship with me.

Both roles are critical to my success, and I am grateful for your support.

Option 1: Becoming an Investor (High-Risk, Potential Return)

Investors provide financial support in exchange for a potential **financial return** based on my success in professional golf.

Investment Structure

- **100 investment shares available at \$1,000 per share** in the first year.
- Investors will receive **priority repayment** before any personal financial gains beyond necessary expenses.
- **Total Payback Commitment: 120%** – My commitment is to return **120% of your contribution**, but only while I am actively playing on the PGA Tour.

How Repayment Works

1. Payback Upon Earning a PGA Tour Card

- a. **When** I secure my PGA Tour Card, I will allocate \$125,000 from the guaranteed \$500,000 in earnings for essential expenses and overhead.
- b. The remaining \$375,000 will be distributed to investors, prioritized toward repaying their initial contributions.

2. Commitment to Full Repayment

- a. If the initial PGA Tour earnings do not fully return **120% of the investment**, I will **continue to pay back investors, but only while I am actively competing on the PGA Tour** until that commitment is met.

3. If I Do Not Reach the PGA Tour

- a. If I am unsuccessful in securing a PGA Tour card, I will not be able to provide financial returns.
- b. However, I will offer **alternative value** to investors, including:
 - i. **Corporate golf events**
 - ii. **Playing lessons & private golf instruction**
 - iii. **Fitness coaching and training**

This means that even in the worst-case scenario, investors will still receive services and value in return for their support.

My Commitment to You

- I will train, compete, and represent myself and my sponsors with absolute professionalism.
- I will provide consistent updates on my progress and results.
- I will remain fully dedicated to reaching and succeeding on the PGA Tour.

Join My Team

This journey is about more than just one player—it's about a **team of believers** who see the vision and want to be part of something special. Whether you choose to support me as an **investor** or a **sponsor**, you will be playing a direct role in my success. I would love to discuss how we can work together to make this dream a reality.
